*This meeting is open to the public and is free of charge.
CE Credits: CURES (1.0)*

IMPORTANT: If you are not already subscribed to UC Cooperative Extension Capitol Corridor Agronomy Program Team email updates, you may be receiving this as a one-time email via UCCE Veg Crop Advisor Gene Miyao's list serve. We know that many veg crop growers are also wheat and sunflower growers. To continue to receive local research information and announcements on agronomic crops (wheat, corn, sunflower...) please subscribe below to join the Agronomy mailing list.
