## Demonstrating Efficient N Fertilizer Management in Practices in California Wheat

Thursday, April 28th, 9:00am-11:00am

~28519 County Road 29 (between County Road 88 and 89), Winters, Ca

[MAP | DIRECTIONS](#)

Growers, CCAs, and PCAs,

Join us tomorrow from 9-11 a.m. near Rominger Bros. Farms on Co Rd. 29 (1/3 mile west of the shop) for a short workshop on some of the Nitrogen Management tools that have been developed by UC.

The workshop will feature short presentations from Farm Advisors and Academics, discussions, locally relevant case studies, and hands-on demonstrations.

If you have a soil sample that you would like to test for nitrate, please bring it to the workshop.

INMP (CURES) and CCA Credits are approved (2.0)

View the full agenda [HERE](#).

**RSVP for Lunch - April  
28**
